

This serious event deserves a comprehensive and complete examination and we are confident that the processes underway will provide the proper basis on which to make conclusions and to determine appropriate action.

Critics screaming foul and police rushing to defend their colleagues are not helpful in reaching an understanding of what happened.

The background of the slide features a dark, blue-tinted image of a police car. A prominent white star emblem is visible on the side of the car. A yellow caution tape with the words "POLICE LINE: DO NOT CROSS" in black capital letters is stretched diagonally across the middle of the image. The overall scene is dimly lit, with the car's lights providing some illumination.
